Take you heed of
this! As sure as you
live, the producers are
the feeders and cloth-
ers of the world.

Among freemen
there should be no
masters but justice
and duty and love of
right and fellowman.

PALESTINE, TEXAS, DECEMBER 12, 1903.

REMEMBER the kind acts of
others, but forget your own.

THE holiday shoppers are al-
ready on the scene of action.

MANY an individual talks like a
wise man and acts like a fool.

A SUCCESSFUL man forms a plan
and sticks to it, working like a
gimlet to a point.

THE dead are never sick—there-
fore all diseases may be classed
as afflictions of the liver.

THAT Eastern question is set-
tled almost every day, but it just
won't stay settled.

If Apostle Dowie pays that
\$4,000,000 he has promised to pay
inside of a year, he will prove
himself a past master as a finan-
cier.

A MAN named Stork has been
arrested at New Orleans for rais-
ing \$1 bills to tens. Storks should
confine themselves to raising
children.

E. H. R. GREEN says there are
grave reasons why he cannot ac-
cept the Republican nomination
for governor. Yes, the political
grave, for instance.

It is reported that Senator W.
A. Clark will give his daughter a
\$1,500,000 house for a Christmas
present. Santa Claus will not be
that good to everybody.

THAT farmer who plants a few
acres to cotton and cultivates
them well, is going to stand a bet-
ter chance for success than those
who plant big acreages and trust
to Providence to do the rest.

THAT K. of P. widows and or-
phans' home is an institution well
worth working for. If secured
for Palestine it will be a perma-
nent institution and a self-sus-
taining institution; besides it will
pay a good, steady revenue to the
city.

THE merchants of Palestine are
now assisting in editing the HER-
ALD. At least they are doing a
lot of business through the adver-
tising columns. You should not
fail to read the many announce-
ments being made, for they mean
business.

THE Tyler commercial club has
taken it upon itself to call a good
roads convention for East Texas,
to meet in Tyler on Dec. 30. An
effort will be made to get the leg-
islature to enact a special law
governing road work in this part

of Texas. Anderson county should
be represented at this convention.

THAT Arkansas divine who
preaches that heaven is in the
sun, has a very pleasing theory
when the north winds blow and
the cold bites, for then the sun
feels comforting. But his theory
would go to pieces under a scorch-
ing summer sun. It would be
easier then to convince his hear-
ers that the sun was the abode of
that other place.

Low Holiday Rates.

Company, as heretofore, affords
the people of Texas and Louisiana
an opportunity to visit their old
home during the Christmas holi-
days at cheap rates.

ticket agent, or write E. P. Tur-
ner, general passenger agent, Dal-
las, Texas.

Special Notice U. C. V.

Any friend who knows the exact
location of any Confederate soldier's
grave in either of the cemeteries at
Palestine Texas, or Union soldiers,
will, at their earliest convenience, re-
port the same to the sexton at the
cemetery, as the John H. Reagan
Camp, U. C. V. wishes to permanently
mark each grave for future identifi-
cation. And greatly oblige.

T. C. SPENCER,
Chm. Committee.

Range made.

We don't ask you to believe all
our statements but do ask you to call
at our store any time during the ex-

the Majestic is exactly as represent-
ed. Don't fail to give us a call—note
the date.
